Beef Pan-Seared Fillet Mignon

Ingredients:

4 only 275gms beef tenderloin, 1.5– 2 inches thick)
salt & pepper to taste
canola oil
garlic & herb butter
½ stick of butter, softened
1 tbsp chopped fresh rosemary
1 tbsp chopped fresh tarragon
½ tbsp minced garlic

Method:

For the herb butter: Leave the butter on the counter to soften or place it in a microwave-safe bowl & microwave until malleable, 10-15 seconds. Use a fork to mash in the herbs & garlic until fully mixed. Store in the refrigerator & remove 10 minutes before adding to the fillet.

For the fillets: Preheat the oven to 230°C. Remove the steak from the refrigerator 30 minutes prior to cooking, this is to bring the steak to room temperature & ensure your cooking times are more accurate. Season all sides liberally with salt & pepper.

Add 1-2 tablespoons of oil to a cast iron skillet & turn the heat to high, allowing the skillet to become very hot; distribute oil as it heats & place the filets face down & sear undisturbed for 2 minutes. Turn the fillets & sear for an additional 2 minutes giving your filets a nice seared edge.

Add some herb butter & a whole garlic clove, tarragon & rosemary to the pan before transferring it to the oven. The butter will melt & the herbs will season the pan enhancing the flavour profile of your sauce when we come to make this.

Transfer your skillet directly to the oven. For rare, bake for 4 minutes. Medium rare, 5-6 minutes. Medium, 6-7 minutes. Medium well, go & purchase a hamburger instead. Depending on the size of the steak, the more or less time it will take. Monitor continually during the cooking process.

Spoon some of the seasoned pan juices over the steak to infuse it with extra flavour. Remove fillets from the skillet & set on a plate & let sit for 5-10 minutes before serving.

This is important to bring your steak to its final serving temperature. Top with a slice of garlic & herb butter & serve.

Notes

Temperatures for steak

Rare: 48°C to 50°C
Medium rare: 50°C to 55°C
Medium: 60°C to 65°C

Lamb Kofta w/ Spiced Coconut Dipping Sauce

Ingredients:

700 g lamb mince
4 garlic cloves, crushed
2 teaspoons ground cumin
2 teaspoons dried oregano
2 teaspoons sweet paprika
1 teaspoon dried chilli flakes
2 teaspoons coconut aminos, plus extra to serve
Sea salt & freshly ground black pepper
2 tablespoons extra-virgin olive oil
1 handful of mint leaves, roughly torn
Lemon wedges, to serve

Spiced Coconut Sauce

250 g (1 cup) unsweetened coconut yoghurt
½ teaspoon ground cumin
½ teaspoon sweet paprika
¼ teaspoon cayenne pepper
finely grated zest & juice of 1 lemon
sea salt & freshly ground black pepper
2 tablespoons coconut aminos
2 tablespoons extra-virgin olive oil, for drizzling

Method:

For the kofta, combine the lamb mince, garlic, cumin, oregano, paprika, chilli flakes & coconut aminos in a bowl. Season generously with salt & pepper & mix thoroughly with your hands.

Divide the lamb mixture into eight evenly sized portions, then shape each portion around a skewer. Place the skewers on a tray, cover & refrigerate for 30 minutes to firm up.

Preheat the barbecue flat plate to medium & brush with the olive oil.

Cook the skewers for 2–3 minutes on each side, turning four times, or until golden brown & charred on the outside & cooked through.

To make the spiced coconut sauce, combine the coconut yoghurt, spices, lemon zest & juice in a bowl & season well with salt & pepper. Spoon into a serving bowl, drizzle over the coconut aminos & olive oil, & give it a swirl to partially combine.

Arrange the kofta on a platter, scatter over the mint leaves & serve with the spiced coconut sauce & lemon wedges on the side.

Oven Pork Ribs w/ Barbecue Sauce

Ingredients:

Barbecue rub:

2½ tsp paprika powder
2½ tsp garlic powder
1 tsp onion powder
1 tsp cayenne pepper
1½ tsp dried thyme
1½ tsp dried oregano
1½ tsp sea salt
½ tsp black pepper

Ribs:

2kgs pork ribs (2 racks)
1 cup sweet alcoholic apple cider
1 tbsp olive oil

Barbecue Sauce:

1 tbsp vegetable oil
½ cup onion, finely chopped
1 tsp jalapeño, minced
2 tsp minced garlic
¼ cup apple cider vinegar
¼ cup Worcestershire sauce
1 tbsp Dijon mustard
1 cup pure maple syrup, or dark brown sugar

1 tbsp paprika, or smoked paprika
2 tsp kosher salt
¼ tsp chipotle pepper powder
¾ cup tomato paste
¾ cup orange juice

Method:

Combine the Rub ingredients & rub onto both sides of the ribs (most on meaty side). Set aside to marinate for 20 minutes (or overnight).

Preheat oven to 160°C.

Place ribs on a tray in a single layer. Pour apple cider underneath the ribs, cover with foil then bake for 1 hour 30 minutes or until the meat is pretty tender.

Remove from oven, turn up to 180°C. Remove foil, drizzle with olive oil, then return ribs to oven for 5 minutes or until rub becomes nice & crusty.

Line a new tray with foil then baking / parchment paper (you'll thank me later).

Remove ribs from oven, transfer to lined tray. Pour any juices from tray over the ribs.

Flip ribs so the bonier side is up. Slather with Barbecue Sauce, then bake 10 minutes.

Remove from oven, then turn ribs over so the meaty side is up. Slather with Barbecue Sauce, bake 5 minutes. Repeat 2 or 3 more times until you've got a thick glaze on the ribs.

Cut ribs into individual or multiple rib portions & serve with remaining Barbecue Sauce!

Grilled Chicken Breast Fillet with Italian Herbs

Ingredients:

2kgs boneless skinless chicken breasts

Italian seasoning mix

1 tbsp dried basil
1 tbsp dried thyme
1 tbsp dried rosemary
1 tbsp dried marjoram
1 tbsp dried parsley
2 tbsp dried oregano
1 tsp red pepper flakes, optional
1 tsp garlic powder, optional

1.5 tsp paprika
1.5 tsp red pepper flakes (optional)
15 large garlic cloves, minced
6 lemons, zested & juiced
extra virgin olive oil, plus more for oiling the grill
Kosher salt
Italian parsley leaves, for garnish

Method:

Tenderize the chicken breasts: Place one chicken breast in a large zip-top bag. Push out any air & fasten the bag shut. Use a kitchen mallet to pound the chicken until it's evenly flattened to about ½-inch. Repeat with the remaining chicken breasts, pounding one at a time.

3 lettuce leaves, trimmed
5 heaped tbsp mayonnaise

2 tsp Worcestershire sauce
2 tsp creamed horseradish
Tabasco sauce, a splash only
squeeze of lemon juice

4 tsp snipped chive

Method:

Peel & devein all but three of the prawns (reserve these to top each cocktail). Break the lettuces into individual leaves & place on a large serving platter evenly spaced.

Mix the mayonnaise, tomato chutney, Worcestershire sauce, horseradish & Tabasco together. Season to taste with lemon juice & salt & pepper, then spoon sparingly over the prawns. Dust the top with a little paprika & garnish with chives. Top with the remaining prawns & serve immediately.

Chocolate Kangaroo Tail Stew

Ingredients:

1 kg kangaroo tail
75 gms (½ cup) plain flour
1 tsp smoked paprika
salt & black pepper, to season

80 mls (⅓ cup) olive oil
2 onions, peeled & roughly chopped
4 carrots, peeled (1 roughly chopped,
3 cut into 5-cm lengths)
1 celery stalk, roughly chopped
5 garlic cloves
50 g butter
2 tbsp tomato paste
1 tbsp cocoa powder
1 tbsp ground wattle seed
500 mls red wine
1 litre vegetable stock

2 bay leaves
30 g dark chocolate
1 tbsp red wine vinegar
2 tbsp finely shredded parsley, to serve

Method:

Combine flour, paprika & salt & pepper & mix thoroughly. Add the kangaroo tail & toss to coat. Shake to discard excess flour from the tails.

Heat the olive oil in a large frying pan over medium heat & cook the kangaroo until well browned all over. Remove from the pan & set aside.

Place the onions, roughly chopped carrot, celery & garlic in a blender & process into a smooth puree.

Heat a large, lidded, heavy-based baking dish over medium heat. Add the half butter & fry the vegetable puree for about 10 minutes or until fragrant. Add the tomato paste & stir for 1–2 minutes.

Add the kangaroo, cocoa powder, wattleseed, red wine, stock & bay leaves.

Bring to the boil over high heat, then reduce the heat to low, cover & simmer for 2 hours. Add the chocolate & the remaining carrots & butter. Simmer for another 30 minutes or until the meat is very tender & the sauce is glossy & thick.

Stir in the red wine vinegar & scatter with parsley to serve.

Corsican Style Rabbit

Ingredients

2 rabbits, approximately 1.5kgs
cut into 4 to 6 pieces
500gms sliced onion
6-8 garlic cloves
100gms mixed black & green olives
4 tbsp capers in brine
100gms pancetta, cut into lardons
200mls white wine
200mls chicken stock
3 tbsp red wine vinegar
3 tbsp tomato paste
¼ cup fresh parsley
1 sprig fresh thyme
1 sprig fresh rosemary
3 tbsp olive oil
salt & pepper, to taste

Method:

Heat the olive oil in a Dutch oven over medium heat, add the rabbit pieces & lightly brown on each side for 5 to 6 minutes. Once browned, remove the rabbit pieces & transfer to a slow cooker.

Add the sliced onions & garlic, adjust the heat to low & continue to cook the onions & pancetta until the former are well caramelized & the pancetta has rendered its fat, stirring occasionally. Transfer to the slow cooker with the rabbit.

Add the vinegar, white wine, tomato paste, olives, capers, & herbs & deglaze the Dutch oven. Stir thoroughly & add to the slow cooker with sufficient stock to until the liquid covers the meat.

Cover & let cook on low heat for 4 hour or until fork tender, stirring occasionally.

Remove rabbit from slow cooker & set aside. Cool liquid & pass through a chinois discarding all solids

Place rabbit & stock back into the Dutch oven & replenish capers, olive mix & fresh parsley, thyme & rosemary; bring back to a slow simmer & reduce stock until desired consistency has been achieved.

Adjust seasoning if necessary & serve on a bed of pasta with parmesan. or just as is with a side of potato puree.
